# Zira™

Whether a workspace is required for individual use, teaming or clusters, Zira offers hundreds of mix and match components to meet any design specification. Components can be freestanding for single workstation configurations, or joined together to form multiple work groups.

Above, and left: Zira teaming shown in Tiger Fruitwood (TFW) / Tiger Maple (TMP) with frosted glazed doors / Silver frames (Z1) and flared Silver HS handles. Alero and Caprice seating shown in Momentum, GIG Martini (GIG4).  
Note: Divide posts and transactions top not exactly as shown.

# Zira™

Zira™ is the most functional solution to your work environment efficiency and organization.

4" square monopost are available in Silver or Black finish. Optional 4" and 5" round are available at no extra charge.

Box drawers are mounted on ¾ extension ball bearing slides.

Divide™ a modular desk-mounted panel system shown with glazed panels which vertically stack to provide privacy.

Hutch with glazed doors are available in 4 glazing options with Silver or Black frames. 9 handle options in Silver, Black, Nickel or Brass finishes.

## Zira™

### Zira™, ideal for shared teaming areas.

Components can be joined together to form multiple work groups or can be freestanding for single workstation configurations. With such an array of components and options, Zira can accommodate small spaces through tall spaces, and of course, everything in between.

Storage can be added where needed, whether attached to the workstation or designed elsewhere in the work environments. Select from hundreds of components for any size or shape office. Storage components can tower up to 84" high and are available in an array of laminate finishes and handle options in Silver, Black, Nickel or Brass finish.
