

ECLIPSE

Make a bold statement to your guests with contemporary reception stations from Eclipse.

Hardwood veneers, perforated steel, and frosted glass come together creating a striking result.

Custom reception stations that rival Eclipse cost two to three times the price and deliver in weeks, not days.

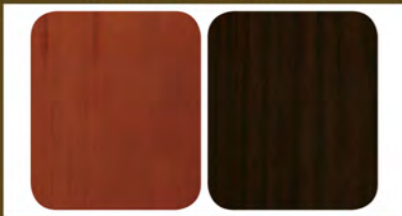

ECLIPSE OFFERS MULTIPLE FILE DRAWER CONFIGURATIONS IN THE PEDESTALS, CENTER DRAWERS, AND ABOVE SURFACE ORGANIZERS.

3/4" FROSTED GLASS COUNTERS ARE SUPPORTED BY BRUSHED STEEL CONNECTORS.
