progressive details

AND SOPHISTICATED STYLE

NEWLAND™

Shown in Dark Cherry Wood Veneer with Ride and Rest seating.

Newland, with its elegant details and sophisticated style creates a prestigious office environment. Pedestal supported worksurfaces offer a dramatic "floating top" appearance that is distinctly unique.

Whether arranging an executive suite or a boardroom, Newland is easy to specify. Select the shape of your work-surface, the type of support (either pedestals or tapered legs), the color of posts (silver or black), and storage unit. Pedestals feature box-box-file or file-file drawer configurations. Modular two high lateral files, mixed storage and storage

cabinets may be placed side-by-side with a rectangular top to create a beautiful "floating top" credenza.

A variety of storage components are available, including hutches, bookcases, wardrobe cabinets and personal towers. Hutches feature four monoposts (silver or black) to attach a 72", 66" or 60" wide worksurface and offer optional back panels available in either fabric or veneer. Round or racetrack tops, combined with sleek tapered legs available in silver or black create sophisticated boardroom and meeting tables.

- Workspaces are designed by choosing tops, pedestals and modesty panels.
- Round black or silver posts create a dramatic "floating top" appearance
- Constructed of rich Cherry Wood veneer, work surfaces are 1 3/16" thick with matching 3mm solid cherry edge banding.
- All drawers and cabinet doors are standard with "Spaghetti" handles available in black or silver.
- Choose from an array of attractive modular and freestanding storage options
