

StreamLINE™

StreamLINE series incorporates a rich laminate top with a sturdy steel chassis. This combination is great for heavy duty environments such as offices, schools, warehouses and factories.

Full-to-Floor Pedestals were designed to utilize all available space. Choose from Box/Box/File and File/File combinations. File drawers have high drawer sides for hanging folders and eliminate the need for file bars.

Models include Desks, Returns, Bridges, Credenzas, Hutches and Accessories such as a Center Drawer and optional keys for keying alike. This wide range of models, pedestal options and finish selections are sure to fit a variety of office and organizational needs.
