## LAMINATE L-DESKS

## LATERAL FILE CABINETS

Five contemporary finishes include Autumn Walnut, American Mahogany, American Dark Cherry, American Espresso, and Artisan Grey all accented with 3mm matching impact-resistant edges. Pedestals and lateral files are designed to connect to the appropriate desk, credenza + return shells. All locking storage components are keyed random. Keyed alike available with an upcharge. File drawer construction is for accommodating hanging files NOT for stacking materials on the drawer bottom. Dimensions are nominal. Lateral files and file/file pedestals come equipped with a mechanical safety interlock. Box and file drawers feature full extension ball bearing drawer slides. Metal pins + cam fasteners are designed for easy assembly. Metal brackets are also included for additional strength and rigidity. Black grommets are standard on desks, returns, bridges, credenzas, extended corners, and hutches. Silver grommets optional with an upcharge.
