Shown left to right : **GC3779** At-Eez chair sleeper bed with wood armcaps, **GC3758** At-Eez II sleeper chair with upholstered armcaps.

Fitted with four locking 3" dual wheel black hard surface casters.

Two simple pull straps on the back (left and right side) return At-Eez and At-Eez II to a sitting position.

Ventilated storage box for pillows and bedding.

At-Eez is a compact sofa chair that opens into a comfortable chair sleeper bed. Ideal for residence, patient rooms or lounge areas. At-Eez is fitted with high-density Ultracell Bio foam and upholstered in a seamless waterfall method to provide a good night's sleep away from home. At-Eez II offers a more generous sitting and sleeping surface with 6 inches more width and 4 inches of extra length.
