The Primacare Chair Sleeper Bed provides a comfortable place to rest for attending family or friends during extended visits and is ideal for hospital, residence or lounge rooms where space is limited.

The Primacare Chair Sleeper Bed is easily opened and closed by one person. The cushions have been styled from durable and comfortable high-density Ultracell Bio foam with built in head support in the sleeping position. Requires zero wall clearance when opening.

The series includes both single and double seat units. The reclining position on either side of the double unit can be set independently for maximum flexibility.

Above : seating shown in CF Stinson, Zen Garden with Agion® Snapdragon (62033), arms and legs in Mahogany (TMM).

Wood Armcaps - Available in all standard GLOBALcare wood colors.

Self-skinned Urethane (SSU) Armcap - Available in Black (BLK) Platinum (PLT) and Toast (TOA).

GC3612
Primacare Double Chair sleeper bed.

Wood Leg - Four decorative tapered wood legs. Available in all standard GLOBALcare wood colors Standard on selected models.

Casters - Four locking 3" dual wheel black hard surface casters (C83R). Standard on selected models.

Soft Flexible Handles - Two easy to reach straps are provided on the back to return the sleeping platform to a sitting position.

Storage - Ventilated storage compartments below seat cushion for bedding and pillows.
