ConnecTABLES™

**ConnecTABLES is a modular linking and free standing table system.
Flexibility for any application.**

Seminar

Featured are Rectangular and Trapezoid shaped tops with optional modesty panels, power/data modules and grommets.

Shown in Tiger Walnut (TWL) with Black legs. Azeo seating shown in Momentum Ringo, Hickory (RI31).

ConnecTABLES™

Open Conference

Many ConnecTABLES tops can be assembled to be freestanding. When combined with locking casters and the flip top "T" leg, the result is easy storage and complete portability.

Tables shown in Tiger Maple (TMP) with Black legs. Roma seating shown in Momentum Solace, Maui.

ConnecTABLES™

Meeting Rooms

ConnecTABLES modular units will provide quick and affordable answers for all sizes and shapes of rooms and applications.

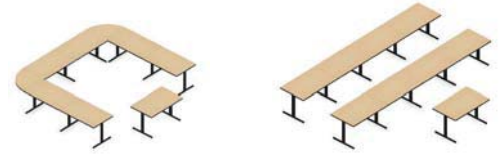

Tables shown in Tiger Maple (TMP) with Black legs. Roma seating shown in Momentum Solace, Maui.

ConnecTABLES™

Educational and Training Rooms

ConnecTABLES table tops configure easily into temporary or permanent educational applications.

Tables shown in Tiger Maple (TMP) with Black legs. Roma seating shown in Momentum Solace, Maui.

ConnecTABLES™

PVC edge

Protects both the table edge and the surrounding environment. ConnecTABLES edge is unique to the series.

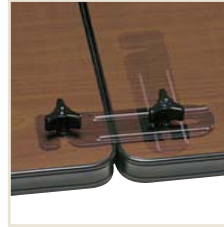

Steel to steel fastening

Durable steel-to-steel fastening ensures a secure connection for both linking and freestanding positions.

Thumbscrews - CNTS

Optional, easy-to-use thumbscrews allow installation without tools.

Ganging Hardware - CNGFP

Thumbscrews provide easy ganging for two or three way connections. Swings away when not in use.

Optional wire grommets can be ordered 'factory installed'.

ConnecTABLES provides solutions for a myriad of day-to-day work environments. Designed as easy-to-use linking or freestanding tables.

Details: **A.** Heavy-duty steel "T" legs link two tops or support freestanding tables. Base finish options highlight the attractive black elliptical column cover. **B.** 36" Double "T" leg for use with new 36" top shapes. Features double black PVC elliptical column covers. **C.** Optional Flip Top "T" Leg facilitates easy storage. Available in a variety of finish options, 24" and 30" tops. **D.** Modesty Panel. **E.** Wire Management Channel. **F.** Modesty Panels with Wire Management Channel. Connects to pre-drilled holes in table top.

All ConnecTABLES tops have steel inserts at each corner to accommodate ganging hardware. ConnecTABLES tops are available in a variety of colors. Glides and casters can be used in any combination to facilitate mobility requirements, without affecting table height.
