WAITING ROOM CHAIR

The broad appeal of the Citi series rests with its contemporary style, unlimited flexibility and good value. Each piece in the Citi series complements every other: sofas meld with coffee and end tables, lounge chairs and ottomans pair with sectional pieces, fabrics and finishes harmonize.

All Citi pieces are offered in a choice of fabric, vinyl or leather or a combination of fabric with leather seats and back cushions. Solid wood frames and full webbing construction provide lasting comfort and durability. And best of all, Citi is designed to fit tight budgets.

a welcoming
environment

Seating shown above in Volo Parchment (VL61) and tables in Tiger Walnut (TWL).

citi.

SECTIONAL SEATING

Citi sectionals create a relaxed and personal atmosphere in large open spaces or efficient seating configurations where space is at a premium. Sectionals are available in two or three seat units and feature integrated corners as well as either right or left handed configurations.

Citi tables complement both sectional and lounge seating and are available as square or rectangular coffee or end tables. Table tops can be selected in either tempered glass or a matching laminate finish.

Seating shown on the cover and above in Spinneybeck Volo, Oatmeal (VL73) with CF Stinson Outta Sight, Thistle (6464). Tables shown in Dark Espresso (DES).

classic and contemporary

citi.

tablet arm seating

Citi Tablet seating provides a practical working solution when people are on the move and away from their desks, making it a popular choice for client lounges, waiting areas, or presentation and training rooms.

The tablet arm conveniently swivels for comfort and access with just enough resistance so that laptops stay put and drinks don't accidentally spill. The surface is generously sized and proportioned for using a laptop computer, taking notes or a quick lunch.

Seating shown in Spinneybeck Volo, Lichen (VL72) and Tiger Maple Tablet (TMP).
Table shown in Tiger Maple (TMP) and bench in Spinneybeck Volo, Lichen (VL72).

Tablets constructed of MDF are available in three coordinating colours and feature a catalytic epoxy surface with a reverse bevelled edge.

Tablets finished in laminate are edged with matching trim and are available in the full range of Global laminates.

Tungsten (TUN)

Black (BK)

Chrome (CHR)

Global's Certified Products are in compliance with the stringent emission guidelines set by the GREENGUARD Environmental Institute.

Legs are standard in Tungsten but are optionally available in Black or Chrome.

citi square

An elegant presentation with timeless appeal.

Our most popular lounge series goes uptown with a new metal frame design. An optional double width cushion compliments the new look, available on both the freestanding models and modular configurations. Citi Square is available with standard foam or an optional Ultracell foam (UC).

The new Citi Square tables are available in a variety of sizes and numerous contemporary laminate finishes with integrated power delivery and USB charging for mobile devices (optional). The full metal frame that defines Citi Square is available in polished chrome as well as a durable, powder-coated epoxy paint finish in Tungsten or Black.
