

Height Adjustable Tables - Activate Sit Stand Activate Sit Stand

Activate Sit Stand

Ready to order in November 2015!

Any workstation can now be height adjustable, without the need to install height adjustable bases. Activate is a rear-mounted, fully featured sit stand workstation. It simply attaches to the desk in 15 minutes and provides a standing solution without cluttering the worksurface.

Features

- Unit easily mounts to any worksurface with rear-mounted clamp or grommet
- 22" of effortless gas assisted travel, meeting ANSI/HFES standards and accommodating the 5th to 95th percentile of users

Your Office Will Never Be The Same!
