

Adjustable Computer Desk - RISE RISE Benching

RISE Benching

Office environments are changing. Panels are coming down and employees are working in open-plan layouts which do not have access to power and data at every workstation. ISE's RISE stand up computer desk solution provides an independently height adjustable surface for each desk, with a fixed spine to carry power and data.

Features

- Adjustable height workstation
- Ergonomic computer desk
- Compatible with any RISE leg, including RISE 22"-48" Electric, RISE S2 27"-46" Electric, RISE Crank and RISE Fixed Height desks
- Fixed cable spine runs power and data to each workstation
- Cable management solutions deliver power and data from the spine to the desk surface

Stand up computer workstation

- Acrylic or tackable privacy/modesty screens available, either attached to the fixed spine or attached to the desk surface
- Laminate end panels provide an elegant finish for each run

Specifications

- Base available in silver, black or white powdercoat paint finish (silver or black only for RISE Crank)
- 2, 4, 6, or 8-pack in back-to-back configuration
- Power can be introduced at the end of the run or at each desk connection
- 48", 60" or 72" worksurface sizes with 24" or 30" depth
- Wide range of accessories including desktop power units, monitor arms and adjustable keyboard systems are available
- Hard wire or standard power solutions available
- Worksurfaces are 1" high pressure laminate in 17 ISE standard finishes
- 10 year warranty (3 years electrics)
